HOW THE PROCESS WORKS

Departments identify students that have scores below a 26 on the SPOKEN portion of the TOEFL or a 160 on the TOEIC

These students can either TA in job code 9550 or, if they are enrolled in the ITA course, can be a 9183/4

The Provost's Office has an arrangement with INTO for them to teach an ITA course every Fall and Spring semester

- Enrollment limited to 18
- Current TA assignment

Registration is done through the OGS

- The earlier, the better
- Limited space
- Course does not appear in OASIS
