

## Dual Degree Programs

Reference: Section 7 Academic Policies section on Dual Degree Designation for the official policy.

The following lists some of the formalized Dual Degree Programs offered through the University of South Florida. New Dual Degree programs may have been approved since the publication of this list; others may now be closed to new admissions. If the Program of interest in is not listed below, contact the Department to see if the program qualifies for a Dual Degree option. Information about the Degree Requirements for these dual degrees may be found in the corresponding college sections of the Catalog. To apply for a Dual Degree Program Designation students must complete the Dual Degree Application, available online at: <http://www.grad.usf.edu/student-forms.php>.

Each is listed twice, once under each program.

| Dual Degree Programs                            |  | Effective | College(s)                           |
|---|--|-----------|--------------------------------------|
| Applied Anthropology (M.A.)                     | Public Health (M.P.H.)                                     | n/a       | Arts and Sciences<br>Public Health   |
| Applied Anthropology (Ph.D.)                    | Public Health (M.P.H.)                                     | n/a       | Arts and Sciences<br>Public Health   |
| Audiology (Au.D.)                               | Communication Sciences and Disorders (Ph.D.)               | 4/17/06   | Behavioral and<br>Community Sciences |
| Biochemistry and Molecular Biology (Ph.D.)      | Public Health (M.P.H.)                                     | 2003      | Medicine<br>Public Health            |
