By signing this form, I am certifying that the version I submitted is the final copy as approved by my advisory committee, has been analyzed by appropriate plagiarism-detection software, and all published material in this dissertation/thesis has the appropriate copyright permissions to be reproduced and are included in the appendix. Furthermore, if IRB approval was required for this research, a copy of that approval is included in the appendix. I hereby grant to USF and its agents the non-exclusive license to archive and make accessible my thesis or dissertation in whole or in part in all forms of media, now or hereafter known. I retain all other ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of the thesis or dissertation.

**MFA IN CREATIVE WRITING - EXEMPTION**

The MFA in Creative Writing program has received an exemption from submitting their theses to ProQuest and USF Scholar Commons. These theses will be reviewed for consistency and formatting requirements, but will not be distributed or accessible by anyone other than the Office of Graduate Studies for archival purposes.

**MANUSCRIPT APPROVAL**

The aforementioned manuscript has been reviewed and approved to meet the thesis or dissertation requirement by the student's supervisory committee. The undersigned agree to abide by the statements above, and confirm that this Certificate of Approval Form serves as confirmation that the thesis/dissertation defense has been successfully completed and that the thesis or dissertation, including the Abstract, is approved and ready for submission through the Office of Graduate Studies.

**COMMITTEE (CO-) MAJOR PROFESSOR(S) CONTENT ANALYSIS**

By signing below, the (Co-)Major Professor(s) confirms the analysis of the report generated from running the student-uploaded dissertation/thesis through a plagiarism-detection software  TurnItIn (through Canvas) and believes, based on that analysis as well as the limitations inherent in such detection software, that this dissertation/thesis is not plagiarized.

The first page of the generated report **must** be attached; check here:  if parts of the document have previously been published.
