Summary of Changes – Select all that apply:

Admissions Section:

- Change Priority Admission Deadlines
 - Fall: _____
 - Spring: _____
 - Summer: _____
 - To "fall admissions only"
- From Regular to Direct Receipt Admissions
- From Direct Receipt to Regular Admission
- Admission Requirements

Curriculum Requirements

- Current Curriculum Requirements
 - Core
 - Add New Concentration, Specialization, or Track*
 - Delete Concentration, Specialization, or Track
 - Thesis/Dissertation
 - Comprehensive/Qualifying Exam
- Other: _____

*Requires submission to APAC for comment/clearance

Why are these changes necessary?

These changes are requested in order to better conform to the recent changes in university guidelines regarding the configuration of degree majors and concentrations.

Attach the current Catalog Copy, with the requested revisions shown using Track Changes. Catalog copy is not required for changes to the Admission Deadline. All other changes require Catalog Copy. To obtain the most current catalog, email cdh@usf.edu.

Once College has approved, scan and email this Approval Form, and the revised Catalog Copy In Word to Graduate Studies by the deadline posted online <http://www.grad.usf.edu/graduate-council.php>. For questions, contact cdh@usf.edu

PSYCHOLOGY**Doctor of Philosophy (Ph.D.) Degree****DEGREE INFORMATION**

MAJOR INFORMATION

The Psychology Department graduate major is divided into three broad concentrations: Clinical, Cognition, Neuroscience, & Social Psychology, and Industrial-Organizational. Each of these areas offers Ph.D. level training in the following areas of special expertise:

Clinical

Psychopathology, Psychological Assessment and Interventions, Health Psychology, Addictive Behaviors, Clinical Child Psychology, Clinical Neuropsychology.

Cognition, Neuroscience, & Social Psychology

Behavioral Neuroscience, Cognition, Judgment and Decision Making, Development, Memory, Perception, Social. In addition, with faculty in Communication Sciences and Disorders, the CNS faculty offers a specialization in Speech/Language/Hearing Sciences.

Industrial-Organizational

Selection, Training and Evaluation of Organization Members, Job Analysis, Motivation and Satisfaction, Occupational Health Psychology, Leadership, Career Development, Work-Family.

Methodological offerings across areas include Research Design and Statistics, Regression, Analysis of Variance, Psychometrics, Factor Analysis, Meta-analysis, Structural Equation Modeling.

Accreditation:

Clinical Program is accredited by American Psychological Association, Psychological Clinical Sciences Accreditation System, and member of the Academy of Psychological Clinical Science.

ADMISSION INFORMATION

Must meet University requirements (see Graduate Admissions), as well as requirements for admission to the major, listed below.

- a personal goals statement
- three letters of recommendation
- strong preference for GRE V and Q scores each at the 50th percentile or better
- an upper division undergraduate GPA of 3.4 or better.

CURRICULUM REQUIREMENTS

Post-Bachelor's - Total Minimum Hours: 80 hours

Students must successfully complete all requirements noted in the Catalog section for the M.A. in Psychology, or its equivalent, with a minimum GPA of 3.00. In addition, students must successfully complete the following post-Masters requirements. The 30 hours from the Masters degree is then added to the post-Masters minimum of 50 hours for the 80 hour total.

Post-Master's -- Total Minimum Hours: 50 hours

Individual concentrations may require more hours for accreditation. A minimum GPA of 3.00 is required for all courses within the Ph.D. Degree

Core -- Completed as part of the Masters requirements

Doctoral Concentration -- 30 hours minimum (including Content Courses, Tools of Research, Electives, Internship, and/or Specialization requirements)

Additional Courses -- 8 hours

Qualifying Examination

Dissertation -- 12 hours minimum

Concentration Requirements:

Students apply to and enroll in one of the following concentrations:

Content Courses:

Clinical Psychology -- 12-18 hours

SOP 6058 3 Personality and Social Psychology (Social Psychology)
EXP 6608 3 Cognitive Psychology

One of the following:

EXP 7099 3 Graduate Seminar in Experimental Psychology (The Nature of Emotion)
CLP 7379 3 Graduate Seminar in Clinical-Community Psychology (Emotion and its Disorders)

One of the following:

PSB 6056 3 Physiological Psychology
CLP 6937 3 Topics in Clinical Psychology (Human Neuropsychology/Cognitive Neuroscience)

PSY 6946 6 Practicum and Internship in Clinical Psychology

Commented [SS1]: This is not associated with the external internship. This is internal training in clinical practice.

Cognition, Neurosciences, and Social Psychology - 30.6 hours

Content Courses—A minimum of two of the following, or alternative graduate advanced courses or seminars, (in addition to the Masters requirements), selected in consultation with major professor:

- EXP 6608 3 Cognitive Psychology
- PSB 6056 3 Physiological Psychology
- SOP 6058 3 Personality and Social Psychology (Social Psychology)
- PPE 6058 3 Personality
- EXP 7099 3 Graduate Seminar in Experimental Psychology (The Nature of Emotion)
- EXP 7099 3 Graduate Seminar in Experimental Psychology (Judgment & Decision Making)
- EXP 7099 3 Graduate Seminar in Experimental Psychology (The Self)

Industrial-Organizational Psychology - 12.21 hours

Content Courses—A minimum of four-seven of the following, or alternative graduate courses, selected in consultation with major professor:

- INP 7937 3 Psychology and Technology
- INP 7937 3 Work and Family
- INP 7937 3 Performance Measurement/Criterion Development
- INP 7937 3 Occupational Health Psychology
- INP 7937 3 Job Attitudes
- INP 7937 3 Assessment Centers
- INP 7937 3 Teams

Tools of Research:

Students complete tools of research in the area of the concentration:

Formatted: Underline

Formatted: Underline

Clinical - 6.6 hours

One of the following:

- EDF 7484 3 Statistical Analysis for Educational Research III
- GEY 6403 3 Multivariate Statistical Analyses for Aging Research

One of the following:

- PSY 6217 3 Research Methods and Measurement (Psychometrics)
- EDF 7437 3 Advanced Educational Measurement I

Formatted: Widow/Orphan control, Tab stops: 2.69", Left + Not at 0.5" + 1" + 5.5"

Cognition, Neurosciences, and Social Psychology - 9 hours

A minimum of three of the following, or alternative graduate methods courses, selected in consultation with major professor:

- PSY 6217 3 Research Methods and Measurement (Psychometrics)
- PSY 6217 3 Research Methods and Measurement (Meta-Analysis)
- PSY 6217 3 Research Methods and Measurement (Bayesian Statistics I)
- PSY 6217 3 Research Methods and Measurement (Bayesian Statistics II)
- EDF 7437 3 Advanced Educational Measurement I
- EDF 7484 3 Statistical Analysis for Educational Research III
- GEY 6403 3 Multivariate Statistical Analyses for Aging Research

Industrial-Organizational Psychology - 6 hours

A minimum of two of the following, or alternative graduate methods courses, (in addition to the graduate methods courses from the Masters requirements), selected in consultation with major professor:

- PSY 6217 3 Research Methods and Measurement (Meta-Analysis)
- PSY 6217 3 Research Methods and Measurement (Bayesian Statistics I)
- PSY 6217 3 Research Methods and Measurement (Bayesian Statistics II)

PSY 6217	3	Research Methods and Measurement (Experimental Design & ANOVA)
EDF 7437	3	Advanced Educational Measurement I
EDF 7484	3	Statistical Analysis for Educational Research III
GEY 6403	3	Multivariate Statistical Analyses for Aging Research

Electives: -3 to 12 hours

Formatted: Underline

Clinical Elective Courses - 1212 hours

~~1212~~ Choice of at least ~~four~~ three other graduate courses, chosen in consultation with major professor

Cognition, Neuroscience, and Social Psychology Research/Elective Courses - 9 hours

Co

A minimum of nine hours from the following, or acceptable alternatives, selected in consultation with major professor:

PSY 6907	0-9	Independent Study
PSY 7908	0-9	Directed Readings in Psychology
PSY 7918	0-9	Directed Research

Industrial-Organizational Psychology - 3 hours

~~IO~~ Research/Elective Courses - A minimum of three hours from the following, or acceptable alternatives, selected in consultation with major professor:

PSY 6907	0-3	Independent Study
PSY 7908	0-3	Directed Readings in Psychology
PSY 7918	0-3	Directed Research

Internship and Specialization Requirements:

Formatted: Underline

~~External Internship - 6 hours~~

~~PSY 6946 - 6 - Practicum and Internship in Clinical Psychology~~ Students in the Clinical Psychology Concentration are Clinical Internship Requirement - Each student is required to complete a one-year, full-time, APA-approved (or CPA approved) internship in a training facility approved by the Department.

Commented [SS2]: There are no credits explicitly associated with this requirement, but it is necessary for accreditation.

~~PSY 6946 - 6 - Practicum and Internship in Clinical Psychology~~

Specialization - 6 hours

Students in the Cognition, Neurosciences, and Social Psychology and Industrial-Organizational Psychology concentrations are required to complete a specialization.

Formatted: Font: Not Bold

Formatted: Font: Not Bold

A minimum of two three-credit graduate courses (often from outside of the concentration or department), selected in consultation with major professor.

Qualifying Examination:

Successful completion of the Ph.D. Comprehensive Qualifying Exam (CL, CNS, IO) or major area paper (CL, CNS) for Admission to Candidacy

Formatted: Underline

Formatted: Underline

Dissertation: - 12 hours minimum

Dissertation (PSY 7980) - 12 hours minimum

Formatted: Underline
