Meeting called to order at 1:00 p.m.

**The Committee reviewed and approved the following:**

**Program Changes**

- Communication Sciences and Disorders (Ph.D) change admission and degree program requirements
- Elementary Education (MA) change curriculum
- Educational Leadership (M.Ed.) change admission requirements
- Educational Leadership (Ed.S.) change admission requirements
- Approved – but GRE Scores must be split (Cannot be combined)

**Concentration Changes**

- Medical Sciences (MSMS) Clinical and Translational Res. Change hrs from 38 to 32

**New Graduate Certificates**

- Intellectual Property
- Graduate Certificate Changes

**Updates on Amendment to Higher Education Act of 2008**

Carol Hines-Cobb provided an update to the Committee on the amendment to the Higher Education Act, which could limit financial aid to students taking course with the same number more than twice (e.g. selected topics, thesis/dissertation, etc.) If the act remains as currently approved, there may be a need to convert selected topics to courses with permanent numbers. More information will be shared when available.

**Three Year Program Review**

The Committee reviewed the draft document and determined to select five to six master’s programs to begin the review process with.
Tabled for April pending GRE discussions:
