**Routing:**

Once approved by College; College will forward to the appropriate USF Institution undergraduate or graduate office for processing through the Faculty Council. Once approved by the Council, the proposal is sent to APPCC for review and approval (unless a doctorate, in which case it is for information only). Upon final approval by the Provost, the new major code for the Program may be created by the Registrar and the VZ application may be activated. The Program will be then be added to the USF System Degree Inventory and posted in the Catalog.
