POLICY/FELLOWSHIP COMMITTEE AGENDA

1. Introductions, Public comment on agenda items (3-minute limit)
2. Items for Discussion – some may be tabled for February, time-pending:
 - a) **Presidential Fellowship review process** – confirm process and timelines for review
 - b) **Graduation fee** – Education still having resolution problems for the FELE issue. Discuss if graduation fee is needed to accommodate students in these situations.
 - c) **Admission Deadlines – draft for discussion**
 - d) **Accelerated programs with the Honors College** – current policy allows for Accelerated Programs between undergraduate and graduate majors – not a blanket option with a college. Discussion for if policy should be updated to allow for generic/college offerings.
3. For review at a future meeting:

Bachelors to Doctorate and awarding the Master’s on the way (students are taking dissertation hours and then need thesis hours to get their Master’s) – discuss if policy needs clarification

Institutional Residency – Students newly admitted to the University cannot be admitted and graduate in the same semester. Likewise, students changing programs cannot graduate in the same semester that the change of program begins. Need to revise/clarify policy.

Formalize policies for Curriculum: 1) Common core for majors under same CIP; 2) Concentrations (discussion for setting limit within a major and the common core courses for the major); 3) Graduate Certificates (limiting hours to 12-15)

GPA Requirements for Graduation – discuss policy - request to consider a major that is 100% S/U with no GPA. Current policy requires a 3.00 to graduate.
